4. PENDING VEAP BENEFITS LEGISLATION. Currently, there is legislation pending in Congress that, if signed into law, would allow prior VEAP (Veterans Education Assistance Program) eligible Sailors who initially declined to participate in VEAP, a one-time opportunity to enroll in the Montgomery G.I. Bill. Many Sailors that entered active duty during the VEAP era (01 JAN 77 - 30 JUN 85) were advised by service counselors not to enroll in VEAP due to the high enrollment fee (\$2,700) and limited benefits. If passed, this legislation would allow these Sailors (and potentially their dependents) the same MGIB benefits afforded all Sailors that have entered active duty since 01 JUL 85. For more information regarding this pending legislation (H.R. 879) contact LCDR Rhoads (x2355) or visit the Military Officers Association of America website at <http://capwiz.com/moaa/issues/bills/?bill=1583001>. The website also contains a link to contact your member of Congress directly to express your views on this matter.
